4. The Official Tournament length for bass shall be fourteen (14) inches, unless the state limit is different, in which case the state limit will prevail. Only bass described above that measure 14 inches or more in length on an "Official Golden Rule" with mouth closed will be weighed. The exception to this rule occurs when "exemption" cards have been made available by the Tournament Official to each Team prior to the start of the tournament. A "short" fish brought to the scales for weigh-in shall result in the loss of that fish and the Team's big fish of that day's catch. Courtesy measurements will be permitted at the weigh-in station.

5. Don't Kill Your Catch! A Team should make every effort to maintain the welfare of its catch throughout the day.
 - (a.) Each Team is expected to keep his bass alive by use of a properly aerated live well.
 - (b.) A bass that appears to have been mangled, mashed, mauled or otherwise altered may, at the Tournament Officials discretion, not be weighed-in.

8. Penalty Points: Tournament Officials shall have the sole authority for assessing penalty points.

 - (b.) Teams will be penalized 1 pound for each minute they are late checking in at the official check point designated by Tournament Officials. After 15 minutes, the Team's catch for that day will be disqualified.
9. The Tournament Officials may make available special weigh-in bags that are designed to help increase the survival rate of the bass. These bags will be available to all competitors in the weigh-in area. No other bags are to be used to bring fish to the weigh-in area when these bags are in use. These weigh-in bags are the property of the FBN and must be returned. Anyone caught with an FBN weigh-in bag in their possession after a tournament is over may be disqualified from future FBN Jr/HS Tournaments.

Special Exception: If special weigh-in bags are not in use, competitors may bring their fish to the scales in their own bags and only when instructed by Tournament Officials.

10. Ties: In case of a tie, the following measures should be employed in this order to break the tie.

 - (b.) The Team with the largest number of legal LIVE fish weighed in during the competition.
 - (c.) The Team with the heaviest single day's catch during competition.
 - (d.) The Team with the second heaviest single day's catch during competition.

PARTICIPATION POINTS

Every Team participating in a FBN Jr/HS tournament will receive 10-participation points for fishing a tournament, regardless if the angler weighs-in a fish or not.

If a tie should occur between two or more teams, the tie breaker will be the team with the largest number of legal fish weighed in during the tournament. Should a tie still remain, then the team with the largest number of legal LIVE fish weighed in during the tournament will prevail. In the event a tie still exists, both teams will receive the same points for the tied position.
